We adopt this notice to comply with the California Consumer Privacy Act of 2018 ("CCPA") as applicable to use of our services and/or functionality of our Website.

Where noted in this notice, the CCPA exempts personal information reflecting medical information or protected health information from some its requirements.

Use of Personal Information.

We may use, sell, or disclose the personal information we collect for one or more of the following purposes:

- To provide, support, personalize, and develop our Website, products, and services.
- To create, maintain, customize, and secure your account with us.
- To help maintain the safety, security, and integrity of our Website, products and services, databases and other technology assets, and business.
- To respond to law enforcement requests and as required by applicable law, court order, or governmental regulations.
- As described to you when collecting your personal information or as otherwise set forth in the CCPA.

We will not collect additional categories of personal information or use the personal information we collected for materially different, unrelated, or incompatible purposes without providing you notice.

Sharing Personal Information.

We may disclose your personal information to a third party for a business purpose. When we disclose personal information for a business purpose, we enter a contract that describes the purpose and requires the recipient to both keep that personal information confidential and not use it for any purpose except performing the contract.

Your Rights and Choices.

The CCPA provides consumers (California residents) with specific rights regarding their personal information.

[Access to Specific Information and Data Portability Rights](#)

You have the right to request that we disclose certain information to you about our collection and use of your personal information over the past 12 months. Once we receive and confirm your verifiable consumer request, we will disclose to you:

- The categories of personal information we collected about you.
- The categories of sources for the personal information we collected about you.
- Our business or commercial purpose for collecting or selling that personal information.
- The categories of third parties with whom we share that personal information.
- The specific pieces of personal information we collected about you.

Deletion Request Rights

You have the right to request that we delete any of your personal information that we collected from you and retained, subject to certain exceptions. Once we receive and confirm your verifiable consumer request, we will delete (and direct our service providers to delete) your personal information from our records, unless an exception applies.

We may deny your deletion request if retaining the information is necessary for us or our service provider(s) to:

1. Complete the transaction for which we collected the personal information, provide a good or service that you requested, take actions reasonably anticipated within the context of our ongoing business relationship with you, fulfill the terms of a written warranty or product recall conducted in accordance with federal law, or otherwise perform our contract with you.
2. Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity, or prosecute those responsible for such activities.
3. Debug products to identify and repair errors that impair existing intended functionality.
4. Comply with the California Electronic Communications Privacy Act (Cal. Penal Code § 1546 *et. seq.*).
5. Enable solely internal uses that are reasonably aligned with consumer expectations based on your relationship with us.
6. Comply with a legal obligation.
7. Make other internal and lawful uses of that information that are compatible with the context in which you provided it.

Exercising Access, Data Portability, and Deletion Rights

To exercise the access, data portability, and deletion rights described above, please submit a verifiable consumer request to us by either:

- Calling us at 1-800-268-4476.

- Emailing us at info@rxsavingsolutions.com.

Only you, or someone legally authorized to act on your behalf, may make a verifiable consumer request related to your personal information. You may also make a verifiable consumer request on behalf of your minor child.

You may only make a verifiable consumer request for access or data portability twice within a 12-month period. The verifiable consumer request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative.
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

Response Timing and Format

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 45 days), we will inform you of the reason and extension period in writing.

If you have an account with us, we will deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option.

Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

Personal Information Sales Opt-Out and Opt-In Rights

If you are 16 years of age or older, you have the right to direct us to not sell your personal information at any time (the "right to opt-out"). We do not sell the personal information of consumers we actually know are less than 16 years of age.

To exercise the right to opt-out, you (or your authorized representative) may submit a request to us by the contact information below.

Non-Discrimination.

We will not discriminate against you for exercising any of your CCPA rights.
